

Library (Kindergarten, Gr. 2 and 2/3)

Students visit the library once a week for a book exchange. On this day, students may sign out one to two library books. These books may be kept at home for a period of one week. Books are expected to be returned every week for another exchange. Happy Reading!

Gym (Kindergarten and Gr. 4/5)

Kindergarten students learn to follow safety procedures related to physical activity, equipment, and facilities, and continue to take responsibility for their own safety. They participate in hula hoop and bean bag games to improve physical fitness.

Grade 4/ 5 students have been playing cooperative games since September. In October, equipments such as scooter boards will be incorporated into the cooperative games.

Drama & Dance (Gr. 2)

Students are currently reviewing in drama mirroring and in role/out of role techniques. Through readers' theatre, students listen and respond in role to other characters in role and adopt the attitude/point of view of fictional characters.

Gr. 4 Science

The first unit in the year is Light & Sound. Through the SMART Board lesson, students learn to identify artificial and natural light. Soon they will learn about the behaviour and properties of lights through hands-on experiments.

Health (Gr. 2 & 5)

Students are studying about "Personal Safety and Injury Prevention". **Grade 2** students learn to identify safety rules to be followed in the home, school, and community. **Grade 5** students apply strategies to deal with threats to personal safety and to prevent injury.

Please do not hesitate to contact me at school if you have any questions. I look forward to the fall and for all its opportunities for growth and learning.

Ms. Tang (ext. 204)
